Interests and additional skills

Teaching

I have experience teaching in health and nursing field (public first aids, cardiac nursing, and ECG reading)

Reviewing

I have completed several modules regarding the referee of scientific papers presented by ELSEVIER and Publons.

Administration

Throughout my career, I have taken responsibility for a range of administrative duties. As a research assistant, my role included collecting and summarizing data; additionally, I was responsible for analyzing data as an independent researcher.

Technology

I know many Microsoft office programs, and I am confident in using technology for research and administrative purposes. I have almost competent in SPSS, STATA, and MAXQDA software packages.

- Word
- PowerPoint
- Endnote
- Mendeley
- SPSS, MAXQDA

Language

I am nearly experienced in the English language, especially in writing and reading skills.

Old work experience

I have about 13 years of full-time work experience in the nursing field.
